01. Use of grant monitoring procedures (Part I, line 2)

Focus Humanitarian Assistance is an international group of agencies established in

Europe, North America and South Asia to complement the provision of emergency relief,

principally in the developing world. It helps people in need reduce their dependence on

humanitarian aid and facilitates their transition to sustainable self-reliant, long-term

development. The organization is affiliated with the Aga Khan Development Network, a group

of institutions working to improve opportunities and living conditions, for people of all

faiths and origins, in specific regions of the developing world. Underlying the

establishment of Focus by the Ismaili Muslim community is a history of successful

initiatives to assist people struck by natural and manmade disasters in South and Central

Asia and Africa.
